MONUMENT DEDICATED
TO THE GALLANT LAWTON.GOVERNOR MOUNT DENOUNCES
THOSE WHO SYMPATHIZE
WITH FILIPINOS.Bryan Present and Declares He Did
Not Come to Speak as a Can-
didate—Tribute to the
Regulars.

FORT WAYNE, Ind., Sept. 15.—The people of this city today dedicated to the memory of General Henry W. Lawton a monument crowned by a cannon captured by him, and christened the principal city park in honor of Lawton. The exercises were under the auspices of the Union Veteran Legion. William J. Bryan was the principal orator of the occasion.

Governor Mount spoke just before Bryan. The governor took up the question of the Philippine war, denouncing Aguinaldo by name and showing a tendency to strong condemnation of the insurgents and all who may sympathize with them. He spoke of the fact that the gun had been taken from men who had turned it upon our flag and our soldiers. The governor added:

"If this cannon was not captured in a just and humane war and from those opposing the lawfully constituted authority over those islands, fighting the soldiers of the government that had liberated them from Spanish thralldom, then where is the honor of the capture and the glory of this gift? Honor these insurgents as patriots and you interpret wrongfully the words, the will and the act of our dead hero, this service becomes a hollow mockery and this trophy of patriotic valor becomes a monument to the dishonor of our soldiers and the shame of our country."

Further Governor Mount said: "I trust I may never see the day when I shall so far forget my devotion and my loyalty to my country as to characterize our soldiers as the agents of oppression, turning the banner of liberty into an ensign of imperialism, nor do I apprehend such a consummation."

Bryan made no direct reference in his address to the utterances of Governor Mount about the Philippine war. "I was invited to participate in this reunion," Mr. Bryan began, "not as a candidate for office but as a citizen of this republic, and I am here to speak to you not as a candidate for office, but as a citizen."

This remark called out enthusiastic applause. Further on he said:

"You have met today to do honor to the memory of a soldier, of one in the regular army. We need some who are ever prepared by military training for the work of the soldier. The differences between us are differences as to the number of regulars that we need. It is not the place today to discuss the size of our standing army; this is not the time to exchange opinions as to how many soldiers we need. But no matter what our opinions may be as to the size of our standing army, we are all glad that when an emergency comes we find the soldier measures up to the standard of a soldier like Lawton did."

Bryan said that there were victories of peace as well as of war and that he longed for "the time to come when no hostile arm will be raised against a fellow man."

CHAMBER OF COMMERCE
TO AID GALVESTON

A "Galveston relief" meeting is to be held by the Honolulu Chamber of Commerce at 3 o'clock today. The call for the special session, published this morning, is signed by Jas. Gordon Spencer, secretary of the chamber.

It was issued on the request of John F. Hackfeld, acting president in the absence of Col. W. F. Allen, the president. Mr. Hackfeld and a number of other leading business men are deeply interested in this matter. They are determined that Honolulu shall have her proper place in the relief roll of honor. A full attendance for the meeting this afternoon is urged, as it is decided to respond to Galveston's appeal by the returning S. S. Australia.

Cured of Chronic Diarrhoea After Thirty Years of Suffering.

"I suffered for thirty years with diarrhoea and thought I was past being cured," says John B. Holloway of French Camp, Minn. "I had spent so much time and money and had suffered so much that I had given up all hopes of recovery. I was so feeble from the effects of the diarrhoea that I could do no kind of labor, could not even travel, but by accident I was permitted to find a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after taking several bottles I am entirely cured of that trouble. I am so pleased with the result that I am anxious that it be in reach of all who suffer as I have." For sale by all dealers and druggists. Benson, Smith & Co., general agents Territory of Hawaii.
